
**CHILDREN WITH HEALTH NEEDS WHO CANNOT ATTEND
SCHOOL POLICY**

Aims

This policy aims to ensure that:

Suitable education is arranged for pupils on roll who cannot attend school due to health needs

Pupils, staff and parents understand what the school is responsible for when this education is being provided by the local authority

Legislation and guidance

This policy reflects the requirements of the Education Act 1996. It also based on guidance provided by our local authority. At the present time, Stockton Borough Council have robust systems in place which identify children for whom they are directly responsible who are not in receipt of full-time education.

The responsibilities of the school

Local Authorities should establish a central record of all children not accessing full time education in the usual way, including those who are accessing alternative provision full time away from mainstream school, regardless
